guson stated to the correspondent of the

Engle: "The statement that there has been turmoll in the Republican party during the past few weeks is erroneous. I have never known a time when things have been as harmonious as at the present time. It may be true that politics are being talked on the streets, but us far as them making political fences, or the operations of certain forces for candidates, nothing has been done so far as I

congressional matter, but when it comes using the machinery of the territorial organization, or of this office, to further the interests of any candidate, it will

to the nomination of a candidate. Why, tioned within the past few weeks, any of whom will be acceptable to me if nom-

insted. As a matter of fact, it is early et for the forming of combinations, if there are any such, to be formed; and things are quieter now to a political way than one would expect, especially when this is a congressional year. I have made the statement repeatedly

and the candidate should be the strong-est man in the party. This, however, is for the rank and file of the party to de-cide. No action will be taken by me

until the close of the campaign for the for main lines. Even made to advance the candidacies of nemication. All such talk is a mistake of the some time to finish the work it is Thought That He Will Have certain men who have been mentioned in on the part of anyone, for, in my onlines, and the report will not be given out for Strength in the Convention. reprection with the congressional numi- clearer political atmosphere has never ex. some time.
